Nantucket Land Bank Commission Regular Meeting of August 26, 2025 (4pm) Land Bank Conference Room, 22 Broad Street, Nantucket, MA

STAFF REPORT

1. AGRICULTURAL MANAGEMENT

a. Deer/Livestock Processing Update

Land Bank staff will be providing a brief update about this ongoing initiative. In addition, Mike Leavitt will attend the meeting to describe his involvement in the deer discussion on Nantucket and what he sees as next steps. Martin Feehan, Deer & Moose Project Leader for Mass Wildlife, will be attending the Commission meeting on 9/9 to discuss deer damage permits.

1. PROPERTY MANAGEMENT

a. Bike Park Design - Update

Included in your meeting packet is an updated cost estimate and phase 1 design for the bike park on Milestone Road. There are two options based on cost. The first design option has an "opinion of probable construction cost" or OPCC of \$2,382,760, which prompted the development of a reduced design at an OPCC of \$1,872,480. Ellen Biegert from Horsley-Witten will be attending the meeting to discuss options and review designs with the Commissioners.

b. Cathcart Beach/Cedar Camp - Sponsorship of Owl Box

Nan Gretsky would like to sponsor an owl box adjacent to Ginger Andrew's Cedar Camp at Cathcart Beach. If approved, this would be a similar arrangement to the owl box at the Land Bank's Skating Pond property on New Street. Ms. Gretsky would pay the sponsorship fee directly to the Maria Mitchell Association and the box would be hosted on Land Bank property. Staff reviewed the proposed location and feel that it fits well in the area.

c. 16/19 East Creek Road - Estimated Costs Update and Project Discussion

PARE has completed the estimated cost updates for the 16/19 East Creek project as originally designed. The estimate is approximately \$500,000 higher than it was in 2023, with an estimated total project cost of approximately \$4.9 million. A comprehensive breakdown and range are included in the meeting packet.

Project costs will be reviewed at Tuesday's meeting and based on the new price estimate, Commissioners will be asked to consider 1) moving forward with the project as designed, or 2) exploring areas for reductions.

d. 22 Massasoit Bridge Road – IA Septic System Installation Discussion Staff are working to determine an estimated cost for the installation of a new IA septic at 22 Massasoit Bridge Road. To accurately estimate costs, it is necessary to perform soil test pits in different locations on the property. This will cost approximately \$5000 and will be undertaken in the near term.

2. REGULAR BUSINESS

a. Appointment of Evaluation Committee of RFQ for Owners' Project Manager for Buildings Move Off – 41 Jefferson Avenue

Staff are requesting the Commission appoint Eleanor Antonietti, Special Projects Coordinator, Jeff Pollock, Property Foreman, Rachael Freeman, Executive Director and a single Commissioner to a Committee to evaluate and select an Owners' Project Manager for the move of the 41 Jefferson Avenue buildings.

3. FINANCIAL BUSINESS

a. Fiscal Year 2026 Operating and Capital Budgets - Discussion

The fiscal year 2026 draft operating and capital budgets are included in the meeting packet for Commission review and discussion.

GATHERING SPACE

Proposed Location for Barn Owl Box at Cedar Camp. 22 Cathcart Road.

Ginger Andrews brought this location to Environmental Department staff as an ideal spot for an Owl Box in the Maria Mitchell Barn Owl Box Program. The box would be sponsored by a neighbor so there would be no cost to NLB. Other locations on NLB property that support Owl Boxes are Skating Pond (New Lane and Grove Lane) and Long Pond Landing. There is potential to formalize a seating area off the path above the location of the owl box, which would provide and area to view the Harbor and owls that may utilize the box.

- Prepared by Fuss & O'Neill with input from Coastal Engineering in August 2023
 based on 2023 dollars
- A schematic design level opinion of probable cost
- Construction costs are the driving factor
- Design, Permitting, and Construction Administration costs are estimated at 20% of construction costs
- A 20% Contingency is included and recommended at ths preliminary stage of design

The opinions of cost presented in this document represent a Budgetary Level of Opinion of Cost. These opinions are based on year projected 2026 dollars, and should be considered accurate to plus 30% and minus 15%. Pare has no control over the cost of labor, materials, equipment or services furnished by others or market conditions. Pare's opinion of probable Total Project Costs and Construction Cost are made on the basis of pARE's experience and qualifications and represent Pare's best judgment as an experienced and qualified professional engineer, familiar with the construction industry. Pare cannot and does not guarantee that proposals, bids or actual Total Project or Construction Costs will not vary from opinions of probable cost prepared by Pare.

FY26 Budget Narrative Operating/Debt Service Budget

Below are the line items I thought needed additional explanation. Please note the line item corresponds to the line # on the left column in the budget.

PERSONNEL EXPENSES

#10 Assistant Administrator – We anticipate defining and advertising this new position before the end of the calendar year and therefore the budget is prorated for the partial year.

EXPENSES

- **Heat** The cost of fuel increased this year, and we own additional buildings. According to our housing policy we will be covering utilities for NLB employee housing.
- **#33 Electricity** The cost of electricity increased this year, and we own additional buildings. According to our housing policy we will be covering utilities for NLB employee housing.
- **Property Management Equipment/Supplies -** We anticipate the costs of materials and supplies to increase this year.
- **Property Maintenance** These are property maintenance expenses related to specific properties, which do not warrant capitalization because they are less than \$25,000. The budget number reflects a full year of maintenance costs of parks like Creeks Preserve, Dog Park, Easy Street, Garden by the Sea. Including landscaping, gardening, painting, supplies, cleaning, repairs, appliance replacements, etc.
- **"40 Cleaning and Trash Removal** The costs for services have increased and we have added additional property cleaning services (dog waste) this summer.
- **Professional Services (Misc)** Increased to cover: Leadership training for staff; Compensation study ongoing services/upgrades: training for cloud-based computer system; and NLB planning consultant.
- ****NLB Book** Staff is in communication with the author to discuss whether it makes sense to put this project on a temporary hold until the NLB planning process is completed. The reason for this request is to facilitate the writing of the last chapter.
- **#51** Outreach We are getting prices to update the Land Bank website and anticipate additional need for outreach as part of the planning process.
- **Telephone** This increase in budget is due to the transition from the Town IT services, phone services.
- **#56 Water Quality Monitoring** There are increased testing requirements as part of environmental permits, and we will be monitoring the water quality periodically for all the housing units that are on well water and/or irrigation wells for the community gardens.
- #61 Agricultural Supplies/Equipment This is a new line item.

- ****55 Special Projects Property Improvements –** This line item was over budget in FY25 due to the \$69,100 for permitting Miacomet Pond dredging.
- **Special Project Forest Management** We are budgeting \$100,000 per year for forestry projects. In FY24 and FY25 we received grants for \$74,700 and \$75,000 respectively. We are applying for and hope to receive this grant again.
- **#69 General Property Maintenance** This was increased to reflect activity in this account from last year. The costs of material, supplies, service vendors, etc. have grown as have the number of high maintenance properties.
- ****FOOLEM **Special Project Building Move/Demo** This budget line is in anticipation of NLBs contribution to the expense of moving and reassembling three buildings from 41 Jefferson off Land Bank property. This project will likely span two fiscal years, so this budget item is just for FY26.
- **#77 Vehicle Maintenance** This budget has been increased to reflect last year's expenditures. We anticipate the amount we are spending on repairs will be less as we have contracted a vendor to perform regular maintenance. However, that will potentially be offset by the administrative costs for him to organize and maintenance records, etc. going forward.
- **Books/Subscriptions/Web Site/Software** Increased this budget in anticipation of moving from the town IT and needing to purchase software licenses and large monthly Comcast expense for our internet and phones that was covered by the town in the past.
- **#79 IT Services** We will be paying the town IT department through June 2025 but also doubling up with a new service to transition us from the town to cloud-based system.
- **#80/81 Travel & Seminars/Conferences/Education** Budgets have been increased for employee training as this is seen as a valuable way to retain and grow talented staff.
- #85 Insurance General/Liability/Vehicle This has been a volatile number that we have no control over. Surprisingly our insurance expenses were lower than anticipated in FY25 even though we have more vehicles, buildings etc. I doubt that will happen again in FY26.
- **Purple Wampum (41 Jefferson) Interest Expense** The accrued interest in FY25 was \$79,911.45, however that has not been paid yet. The total interest on the note is \$164,798.50 and it will be paid in two payments (11/13/25 & 2/13/26).
