# DREAMLAND

*Nantucket's Nonprofit Film & Cultural Center*

TO: Land Bank Commission  
FR: The Dreamland  
DT: February 1, 2018  
RE: Permission for Temporary Use of 27 Easy Street

The Dreamland's mission is to build community on Nantucket year-round by bringing people together to share experiences through film, art, culture, and learning.

Revenue from movie ticket sales helps support us, but does not keep the doors open year-round. Children's Theatre is year-round, and is so important to our island community. We keep adding to the vibrancy of our Children's Program, but, to be straightforward, Children's Theatre simply doesn't cover its own costs. We rely on grants, donors, and, importantly, our summer fundraiser for our financial and operational sustainability.

**The Dreamland would like permission to temporarily use the Land Bank parcel at 27 Easy Street, as a part of our summer fundraising event to be held on Sunday, July 22, 2018.**

This will be our tenth anniversary since the Dreamland Foundation's generous founders joined together and formed the non-profit to save the Dreamland, and we aim to celebrate, not just our founders but also our island community. We are in the midst of event planning, so some details are not yet finalized. But the core idea is an event at the Dreamland with a presentation in our Main Theatre, and we also feel it is important to have a portion of the event that is for-and-open to the whole community. We would like to use the 27 Easy Street parcel for cocktails prior to the Main Theatre presentation, which then frees up our back courtyard area for an open-flow, community friendly, free-and-open-to-all event (we are still brainstorming on this, whether it's some sort of family friendly performance, kid activities, etc. open-air movie screening, or other).

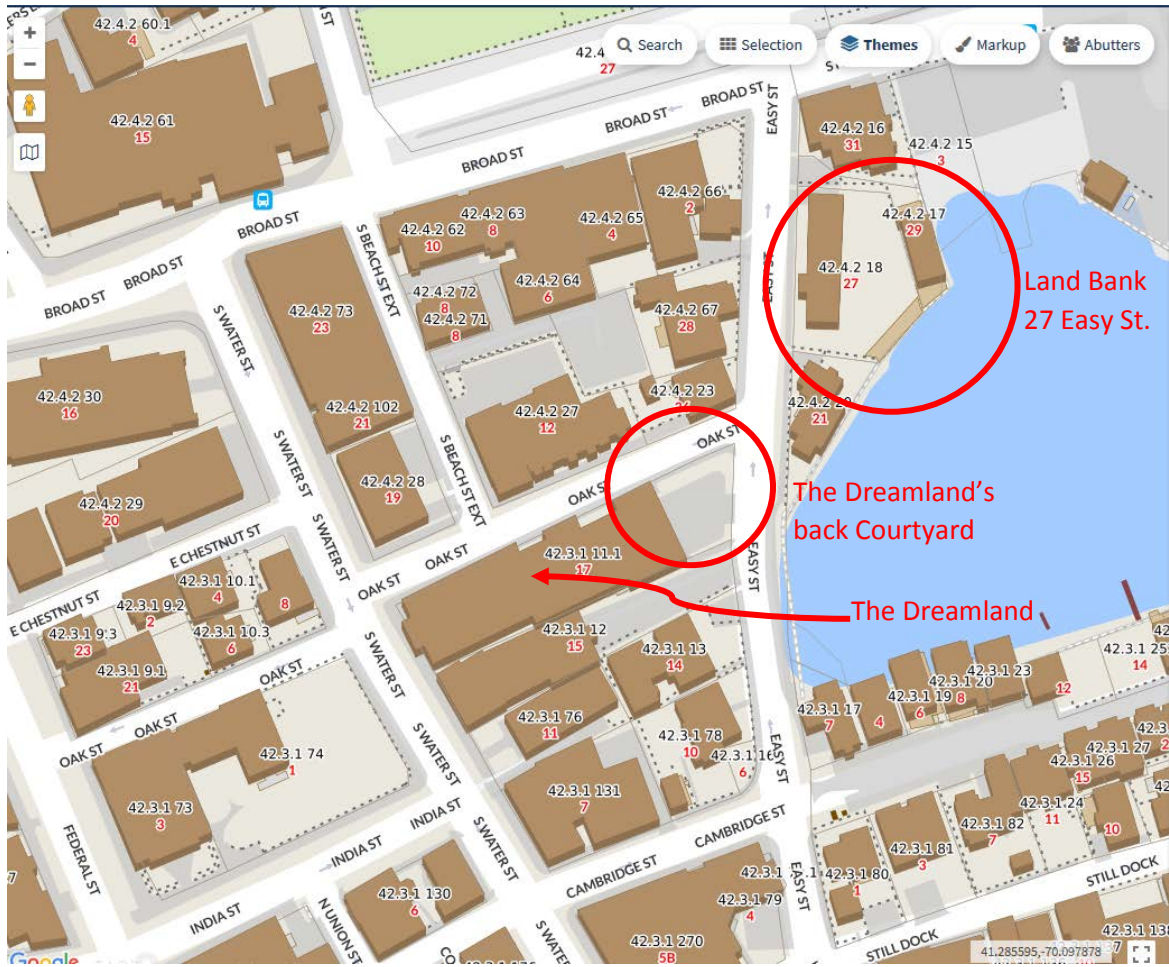

For 27 Easy Street we envision an event tent (likely 40' x 60'), cocktails, light appetizers, and live piano/keyboard music (we have already approached a noted performer and hope to have some "star power" playing and singing). We would secure all necessary town permits, secure police detail for street crossing if needed, maintain prescribed decibel level on music, work cooperatively with other area neighbors, and provide Land Bank with all appropriate insurance certificates. Our main event will be approximately 300 attendees so we anticipate 200 for the portion on the Easy Street property. The 27 Easy Street tent/cocktail segment of our celebration would be about an hour and a half, somewhere from 4 or 4:30 until 6pm. We would start tent set up the morning of the event, and take it down early morning the day after. There would be some catering and set up the morning before the event, but the main use would only be for a few hours.

Neighbor to neighbor in the Easy Street area, and as a year-round island community-focused nonprofit, we are asking for your help.

**Thank you.**
