**To:** Susan Campese

**Subject:** [For Commission Agenda] Fw: Orchard - public workshops

Hi Susan,

Jordan would like to host a workshop at the Apple Orchard. Below (highlighted) is the description of her event - could we add this to the Commission meeting agenda for them to review?

When I write back to her, I'll let her know that July 11 won't be possible, since we don't have a commission meeting before then. I also wanted to ask you if she should plan to attend the meeting to answer any questions they might have?

Thank you! Emma

Subject: Re: Orchard - public workshops

# **Land bank**

The Land Bank would like to introduce the Millbrook Heritage orchard to our Nantucket community. We would love to share the history and progress of Nantucket's first public orchard. Come join us at (xx) Millbrook road at (11am on Tuesday July 11) to say hello to this special place.

During this program we will be going over the importance and purpose of heirloom varieties, methods and maintenance of organic orcharding, and public information about the orchard going forward.

We hope to see you there!

## REQUESTS FOR TEMPORARY PRIVATE EVENT USE ON NANTUCKET LAND BANK PROPERTIES

The Land Bank Commission will allow small, short, simple ceremonies with minimal set up (no tents, no amplified music, a few chairs for guests who cannot be expected to stand, and preferably fewer than 35 guests). Carpooling is strongly encouraged. Depending upon the size and scope, your request will either be reviewed internally by Staff or at a Land Bank Commission meeting after which you will be notified regarding approval status. All commercial events require payment of a \$100 fee, EXCEPT filming which requires a \$250/day fee.

PLEASE NOTE THAT THE LAND BANK'S APPROVAL IS CONTINGENT UPON ALL OTHER APPLICABLE TOWN PERMITS HAVING BEEN OBTAINED.

APPLICANT NAME: Emma Kantola	
MAILING ADDRESS: 153 Hummock Pond Ro	oad, Nantucket, MA 02554
<b>FELEPHONE:</b> (978)-886-8350 <b>E-MAIL:</b> ekan	ntola@nantucketlandbank.org
Proposed Location of EVENT: Lily Pond Park	
DATE of EVENT: 10/14/2023	TIME of EVENT: 2:30 PM - 4:30 PM
Description / Anticipated # of attendees friends, family, cate	ering staff: 80-90 attendees (pending RSVPs)
PLEASE DESCRIBE THE EVENT (theme, scope, durat	ion, installation, food and beverage):
The event is a wedding ceremony. The ceremony	will be roughly 20 minutes (4:00-4:20 PM). We
ikely will rent ~20 chairs, which will get set up at	roughly 2:30 PM prior to the ceremony, and be
aken down directly afterwards. We will have a fri	end play acoustic guitar for the ceremony. The
vedding party would take some photos on the bo	ardwalk afterwards, and everyone will walk to the
eception (at Lemon Press) from the park. For the	ose who are unable to walk, they may order
ibers / taxis from the park parking lot. There will	be no food or drink offered.

Subject: RE: 231 Polpis Rd

#### Hi Carlisle!

I hear you (aahhh!!). I think it would be okay but just to be sure I'd like to run it by the Commission on 7/11. Would that work? Then I can give you a definite answer on 7/12. There are also a couple of spots closer to you at our Eilert property (listed as "0 Polpis Rd" on the Nantucket GIS). I don't think that parking area can fit 5 cars though.

Best, Jesse

Subject: 231 Polpis Rd

Hi Jesse,

Happy Summer - ah!

I am reaching out to see if it is at all possible to use the parking area at 231 Polpis Rd during our annual event on July 14th.

We have two auxiliary parking lots but naturally, it is never enough :(. I would love to have my staff (5 cars MAX) park at the Reyes Pond lot from 5 - 8pm on July 14th.

Is this possible?

Thanks

--

## **LONG-RANGE PROJECTS**

**244 Polpis Rd (White):** Subject to a lease back to the sellers until 10/19/2027. Property ideas include moving and reusing the small house, dock refurbishment, and additional racks for kayaks. This could help alleviate the pressure on the overwhelmed racks at the Holly Farm property which currently serve the mooring field. In other words, kayak launching from this property could be encouraged/promoted in favor of prioritizing dinghy storage for the boating community at Holly Farm. Contains existing grandfathered dock rights but will require a Chapter 91 license to create a new public dock which could take two years or more to plan and permit.

189 Eel Point Rd (Osorio): Seller responsible for moving house at the end of the lease term (1/21/2027). Over the next few years, plan/permit property for public use. Agreement with seller to design/install viewing deck overlooking Eel Point with memorial plaque for his mother. A bocce court is also currently on the property – query whether we want to remove this or not (we have had several requests for croquet, and this seems like a similar recreational activity?). Additional parking will help supplement existing parking for beach access to Madaket Harbor & Eel Point. Driveway will likely need to be relocated as it is shared with a private residential neighbor.

<u>Petrel Landing:</u> Recently received positive decision from Office of Appeals & Dispute Resolution (highest level of agency review) at DEP. That decision was appealed to Superior Court by an abutter on Commercial Wharf. Project design needs to be reviewed and updated in consideration of the recommended elevations for flood risk reduction in the long-term Washington St framework plan and Town CRP. Unfortunately, the timeline for this project is unknown due to the constant abutter appeals and slow pace of the court system.

<u>Consue Spring</u>: Conceptual plan to be presented by SCAPE in-person on June 27. This project is an ecological restoration that will improve hydrologic flow (dredging channel and culvert replacement), mitigate future flooding issues, eliminate invasives, improve native biodiversity and habitats, increase stormwater filtration capacity (with sediment forebays), and enhance public use of the site through a network of connected walkways which are designed to showcase views of the creeks. The permitting roadmap is more intense than other projects because it includes significant work in a wetland. Timeline is expected to take at least five (5) years and will require extensive coordination with the Town regarding stormwater infrastructure.

Washington Street Framework Plan: This is a long-term phased strategy that we will require significant coordination with Town and private property owners to implement. Expected to take 10-20+ years to plan, permit, coordinate, and fully construct. This project is a good candidate for grant funding due to the collaboration required and significant public benefits provided (downtown flood risk reduction, comprehensive stormwater management, enhanced public beach recreation, ADA compliance, restoration of coastal habitats, protection of essential transportation infrastructure, pedestrian/bike safety improvements, etc.). Accordingly, staff

plans to work collaboratively with the Town and other stakeholders (for example, Maria Mitchell) in applying for grant funding throughout the duration of this project.

<u>Spruce Street/Harbor Walk Connection</u>: The Harbor Walk has been a planning goal for decades, and town meeting has now authorized all town-owned wetland parcels from Consue to 19 East Creek to be conveyed to the Land Bank, making this idea more viable. Depending on how much the Commission wants to prioritize this project, it might make sense to combine with other permitting efforts at Consue and 19 East Creek.

**201 Hummock Pond Rd (Dooley):** Subject to a lease running in favor of Jeanne Dooley for the rest of her life. Purchased for pond access, there are grandfathered rights with the existing dock. However, it is likely to take at least two years to permit a new public dock, so it would be advisable to get the planning and permitting going soon on this. We may want to consider (and discuss with the neighbor) rerouting the driveway easement so that the private residential access is separated from the public and does not bisect the lot as it does today.

**271 Polpis Rd (Green):** Subject to a lease running to the benefit of Lindsay Green for the rest of her life. Some permitting and carpentry work will be required in the future. Historic horse paddock on the property and abundant wetlands, including a state-certified vernal pool. Abuts NCF land in Middle Moors. Potential for trail connectivity to Moors but will require boardwalks over wetland areas.
