Nantucket Land Bank Commission Regular Meeting of January 14, 2025 Land Bank Conference Room 22 Broad Street Nantucket, Massachusetts

CALL TO ORDER: 4:00 p.m.

PRESENT: Mark Donato, Kristina Jelleme, Allen Reinhard.

ABSENT: Neil Paterson, John Stackpole.

STAFF PRESENT: Rachael Freeman, Executive Director; Susan Campese, Director of Finance and Administration; Marian Wilson, Office Administrator; Eleanor Antonietti, Special Projects Coordinator; Jeffrey Pollock, Property Foreman.

Nantucket Current, Editor in Chief, Jason Graziadei; The Inquirer & Mirror, Senior Writer, Dean Geddes were also present at call to order.

I. CONVENE IN OPEN SESSION:

A. PUBLIC COMMENT/ STAFF ANNOUNCEMENTS:

- 1. Mr. Graziadei reiterated his previous requests for the Land Bank to have hybrid meetings that were on Zoom and recordings on YouTube. The Chair thanked him for his comments.
- 2. Ms. Campese reminded the Commission that the Land Bank holiday party was January 23rd at the Angler's Club. Ms. Freeman said a reminder would be sent out.

B. PROPERTY MANAGEMENT:

1. 41 Jefferson Avenue – Buildings Relocation Discussion: Ms. Freeman explained that the goal of the Commission was to make the beach public by summer, which staff will be able to achieve, however it was unlikely the buildings could be moved by summer, due to procurement and permitting requirements. For this summer the tenants in the building will have to share the parking with the public and be cognizant of the public using the beach. She estimates that the more realistic timeline would be late fall of 2025. Further she explained that all the buildings were movable but needed to be cut and reassembled at their destination. It is recommended by staff that, due to the size of the attached units, only the top of the three-bedroom unit be moved, which would make it a complete one-bedroom, one-bath house and the two story, two-bedroom unit not be moved, but the materials reused elsewhere. This would enable the two units on either side to be moved with intact walls as they are currently shared with the two-bedroom unit. She said the rough estimate to relocate the buildings, restore the site and reassemble the buildings on new foundations with accompanying site work is \$6 to \$10 million. She said that she has identified Land Bank properties that could accommodate all the buildings, however they are not all needed by the Land Bank. She is talking with the town about their needs and there have been several requests from the public to acquire the buildings. Commissioner Donato requested that the stockade fencing along the beach be removed. Mr. Pollock said it can be taken down for the summer, however some sort of fencing will be needed for the winter due to the wind and shifting sand. Commissioner Reinhard suggested talking to the town about parking on the other side of the tennis courts for the beach. Commissioner Donato asked staff to consider leaving one of the buildings for future use on the property as potential storage and/or bathrooms. Mr. Pollock said the two-bay garage could easily be moved to another location on the property for that.

- 2. 15/17 Commercial Wharf Commemorative Bench Request: The Chair asked this item to be tabled at the request of Commissioner Paterson who was not present but would like to be able to vote on the request.
- 3. 125 Somerset Road & 166 Hummock Pond Road Approval of and Execution of Contract with Architectural Consulting Group for OPM Servies: Ms. Antonietti reported that there had only been one bid, and it was very comprehensive and a fee of \$533,540 has been negotiated. Ms. Freeman explained that the project involved the procurement of design services and contractors as well as oversight of the projects which include the building of a three-bay garage with offices above at 125 Somerset Road and the relocation and rebuilding and expansion of the garage at 166 Hummock Pond Road to a three-bay garage plus the removal of the house and replacement with a modular duplex for employee housing. Ms. Antonietti said she anticipates groundbreaking next winter. The Commission thanked Ms. Antonietti for her hard work and attention to detail.
