B. PUBLIC COMMENT/ STAFF ANNOUNCEMENTS:

- 1. Ms. Freeman reported that the Nantucket Half Marathon took place on Sunday, October 12th; it was successful despite the rainy weather.
- 2. Ms. Freeman said the Carter property at 27 Quaise Road is a popular scalloping site this year which has resulted in heavy parking occurring on both sides of the narrow private road, which has blocked emergency access. In response, Land Bank staff installed signage along Quaise Road to prevent double parking during peak scalloping times and will continue to monitor the situation.

C. AGRICULTURAL MANAGEMENT:

1. Deer Processing Unit - Update: Ms. Freeman presented an overview of the deer

processing project as part of the "Hunters Share the Harvest" 2025/2026 Deer Season PowerPoint presentation by Dr. Goldstein Murphy. Creating and operating a processing facility will allow the Land Bank to apply for an agricultural deer damage permit, which aligns with the agricultural and conservation components of the Land Bank Act. Ms. Freeman reiterated the challenges associated with a surplus deer population and highlighted the benefits of the Hunters Share the Harvest program. The Hunters Share the Harvest Program aims to reduce the deer herd and provide a valuable protein source to help address food insecurity issues. As part of the Hunters Share the Harvest program, hunters will be responsible for field dressing the deer and transporting them to the processing center for donation. To facilitate the operations of this unit, staff developed a draft budget outlining the necessary operational expenses. This budget includes costs for kitchen equipment, garbage disposal services, an outdoor tent with a cooler, and employee wages. A fulltime Processing Manager is required to establish and supervise the operation, overseeing a team of three to four seasonal employees from November 1st through February 28th. The estimated cost for these staffing needs is \$115,000. If the Commission approves the budget, advertisements for the Processing Manager position will be placed in the Inquirer and Mirror as well as online in the Nantucket Current. Dr. Goldstein Murphy confirmed that the state would fund \$250 per deer during hunting season and \$350 per deer outside of hunting season which would be paid to the Land Bank as the processor.

Discussion followed and Commissioner Stackpole noted that the island's large deer population is suffering due to limited vegetation. Commissioner Paterson agreed, observing significant ecological changes caused by deer overpopulation and emphasizing the necessity of reducing the herd. Commissioner Donato and the Chair also expressed their support for the deer processing project. Commissioner Reinhard voiced his opposition to inviting off-island hunters to participate and argued that hunting deer to address hunger contradicts the principles of conservation. Chair Jelleme thanked Dr. Goldstein Murphy and the staff for their productivity and complimented the results achieved within a two-month timeframe.

A motion made by Commissioner Stackpole to increase the budget to \$200,000 and authorize Land Bank staff to proceed with establishing a deer processing facility on the island, which will allow the Land Bank to pursue an agricultural deer damage permit. Seconded by Commissioner Paterson. A roll call vote was taken: Mark Donato-Aye; Kristina Jelleme-Aye; Neil Paterson-Aye; Allen Reinhard-Nay; John Stackpole-Aye.

A motion was made by Commissioner Stackpole to authorize staff to begin advertising for a Deer Processing Manager and the necessary seasonal staff to operate the deer processing facility. Seconded by Commissioner Paterson. A roll call vote was taken: Mark Donato-Aye; Kristina Jelleme-Aye; Neil Paterson-Aye; Allen Reinhard-Nay; John Stackpole-Aye.

D. PROPERTY MANAGEMENT:

The Chair recused herself and departed the meeting at 4:25 p.m.

1. 7 & 9 W. Sankaty Road/ Field of Dreams – Bamboo Removal Proposal: Ms. Freeman displayed a GIS map of the Field of Dreams property located in Sconset and noted that an

area at the eastern edge of the property shared a large bamboo hedge with the Sconset Trust property. Both organizations support the practice of removing invasive plants. However, the cost to remove the bamboo was quite high, and it would need to be replaced with other vegetation to screen the property from the neighbors. Ms. Freeman stated that a proposal from a local contractor to remove the bamboo by the roots would cost \$80,000 to be split equally between the Sconset Trust and the Land Bank. Commissioner Stackpole commented that \$40,000 seemed like a lot of money to remove a small amount of bamboo. A motion was made by Commissioner Stackpole to table the discussion until the next meeting on October 28, 2025, to allow the Commissioners to visit the property and evaluate the scope of work needed. Seconded by Commissioner Paterson. A roll call vote was taken: Mark Donato-Aye; Neil Paterson-Aye; Allen Reinhard-Aye; John Stackpole-Aye.

The Chair returned to the meeting at 4:30 p.m.

2. 41 Jefferson Buildings Relocation – Authorization to Execute Contract for Owner's Project Manager Services: Ms. Antonietti confirmed that the contract was awarded to the Vertex Companies LLC in response to the RFQ process. A motion made by Commissioner Stackpole to authorize Ms. Freeman to execute the contract for Owners Project Management services to Vertex for the relocation of the buildings at 41 Jefferson Avenue at the contracted price of \$223,931.00. Seconded by Commissioner Paterson. A roll call vote was taken: Mark Donato-Aye; Kristina Jelleme-Aye; Neil Paterson-Aye; Allen Reinhard-Aye; John Stackpole-Aye. The Commission thanked Ms. Antonietti for completing the process in a timely manner.

E. REGULAR BUSINESS:

- 1. Website Upgrades: Ms. Freeman informed the Commission that she received two proposals for outside consultants and was working with staff to finalize needs for the new website and expected it would cost approximately \$50,000 with the goal of completing the project by next summer. The Chair said she felt that the figure was low for a website and recommended it increase by \$25,000. A motion made by Commissioner Stackpole to allocate up to \$75,000 for the website upgrade. Seconded by Commissioner Paterson. A roll call vote was taken. Mark Donato-Aye; Kristina Jelleme-Aye; Neil Paterson-Aye; Allen Reinhard-Aye; John Stackpole-Aye.
- 2. First Meeting of November Reschedule due to Federal Holiday: Ms. Freeman stated that due to Veteran's Day falling on Tuesday November 11th, 2025, the Land Bank meeting should be rescheduled to allow the staff and Commissioners to observe the holiday. A motion was made by Commissioner Stackpole to hold the Land Bank Commission meeting on Wednesday, November 12, 2025. Seconded by Commissioner Paterson. A roll call vote was taken: Mark Donato-Aye; Kristina Jelleme-Aye; Neil Paterson-Aye; Allen Reinhard-Aye; John Stackpole-Aye.

F. LONG-RANGE OBJECTIVES:

1. She traveled to Martha's Vineyard last week with members of the Nantucket Land Trust and met with James Lengyel,

Executive Director of Martha's Vineyard Land Bank. Phillipe Jordi, Chief Executive Officer of the Island Housing Trust and James Lengyel, Executive Director of the Martha's Vineyard Land Bank, brought them on a tour of some collaborative, affordable housing initiatives.
