

Gardner Farm

Walking Trail

This property was purchased from the Gardner Family in 1995. Now known as the Gardner Farm, this 41 acre parcel was actively farmed for much of the eighteen and nineteen hundreds before being allowed to naturally reseed. The trails begin at a dirt parking area on Hummock Pond Road, loop through grassy fields, and lead down to the edge of Hummock Pond. By following the trail northeast, it is possible to access the Massachusetts Audubon's Lost Farm Sanctuary and the Land Bank's Millbrook Road property.

Directions: Follow Hummock Pond Road out of town. Once you pass Bartlett Farm Road on your left, look for a large open parking area on your right.

SAFETY

The Nantucket Land Bank accepts no liability due to injury resulting from use of this map or its properties.

LEAVE NO TRACE

In most cases, there are no trash receptacles provided at these properties, so please help keep our properties clean by taking everything that you brought with you when you leave.

PET OWNERS

Dogs are allowed on beaches and trails but we ask that you please pick up after your dog. There is a leash law on Nantucket.
